

# THANKSGIVING DINNER for Veterans at the VA Hospital

On November 22nd 2016 the EPN Team spent a rewarding evening with Publicity Lodge #1000 of the Free and Accepted Masons of New York at the VA Medical Center, serving a scrumptious Thanksgiving feast to our disabled Veterans!

Publicity Mason Lodge #1000 hosted the Feast. All the Mason brothers were on hand to serve our veterans. Clowns, a band, and comedian were hired to provide the entertainment!

Our Veterans were so thankful for a wonderful night! Most were in wheelchairs, some had spinal cord injuries or missing limbs but the goal was to make them smile and we did! Our thanks go out to the Masons, Stew Leonard's (The major sponsor) and to all the wonderful staff of the VA Hospital and Medical Center for helping to bring about this outstanding event.
